

“Refresh-Renew-Reward”

Women Making A Difference

When my hard working mother won the “Employee of the Year” award. I realized how much she has sacrificed for others without asking for anything in return. I was moved by her selflessness, and I gave her a makeover as my appreciation for her- something she never allowed herself to do.

This inspired me to help other deserving women who work hard for others but who have little time to spend on themselves; women who selflessly put others’ needs before their own “Refresh-Renew-Reward” was born.

If there is someone special in your life that is going through tough time, or gives more than they receive, or just needs some confidence to get back on their feet, I would love to be there for them.

Illusion Hair Studio is giving a “Refresh-Renew-Reward” makeover to four deserving women each year. You can take part by nominating deserving women in your life by sending in a short story about them by mail or e-mail.

I am excited about starting this new tradition and thank you for being a part of it with me.
